**AMENDMENT**

Sir:

In response to the Official Action of May 22, 2006, submitted herewith is a copy of a Petition to Have Entered an Unintentionally Delayed Domestic Priority Claim which was filed with the PTO on June 2, 2006. With the granting of such petition, it is believed there is adequate continuity to the listed and identified patents and patent applications, and that there is now copendency.

The remaining rejections have been addressed in applicant's Briefs on Appeal, and this application should either be returned to the appeal process, or the current rejection should be reconsidered and an interference declared.

Respectfully submitted,

  
Peter L. Berger (Reg. No. 24, 570)
